

Appliance Collection 2020

Efficiency

We have been making home appliances for the last 60 years. We are experts and proud market leaders. We know the "must have". Home appliances are about saving time, money and effort. This is why we offer highly pragmatic solutions that always provide the expected results and fit with the pace of families' daily life by delivering on these simple needs - the real ones.

Reliability

It's for the real, small, daily things that we design our appliances, for a life that's more pleasant, simpler, more gratifying, to give you exactly what you need. With immediately understandable solutions based on innovative technologies. For us, this means being in touch with your needs, and keeping our promises. Always and in everything we do.

User-friendly

Beyond being affordable, appliances must be intuitive and easy-to-use. But a loving home is not just about cleaning and keeping it neat. It means also making it more beautiful and welcoming to enjoy it better with your family. That's why appliances should be aesthetically appealing and fit harmoniously into the environment. The Italian design is a guarantee of quality and style.

All Indesit Appliances have a 10 year Parts and 1 year labour Guarantee
